

REGISTRATION AND LICENSING DIRECTION

Current and updated as of: December 14, 2022

3.5 Registration of Internationally Educated Physiotherapy Candidates

Purpose:

To state the requirements for registration with the College of Physiotherapists of Manitoba (CPM) for internationally educated physiotherapists.

Policy:

The Council has determined that for both Canadian and internationally educated physiotherapists, the approved entry to practice examination is the Physiotherapy Competency Examination (PCE) Written Component, administered by the Canadian Alliance of Physiotherapy Regulators (CAPR) and a Clinical Evaluation. Please refer to Registration and Licensing Direction *3.8 Approved Entry-to Practice Examination* for full details.

To register as an Examination Candidate please refer to the Registration and Licensing Direction *3.3 Registration on the Examination Candidate Register*.
