

## REGISTRATION AND LICENSING DIRECTION

Current and updated as of: March 18, 2010

### 3.8 Approved Examination

---

**Policy:**

The Physiotherapy Competency Examination (PCE) which includes both the multiple choice (Part 1) and OSCE components (Part 2) has been approved by the Council to be the required examination.

Applicants for registration must submit a certified copy of a letter from the Canadian *Alliance* of Physiotherapy Regulators confirming successful completion of either or both parts of the examination or the Registrar must receive confirmation directly from the *Alliance* office.
