<p>✓ General information about starting a small business in Manitoba, e.g.</p> <ul style="list-style-type: none"> • writing a business plan • buying an established business • Incorporation – Practitioners themselves cannot be incorporated. Familiarize yourself with how practitioners can adopt a holding company for the practice 		<p>Government of Manitoba website: Starting a business</p> <p>Government of Manitoba Employment Standards</p> <p>Entrepreneurship Manitoba - Companies Office</p>

1 Who falls under PHIA? PHIA applies to trustees who maintain (have custody or control of) personal health information. Trustees are:

- all public bodies that fall under FIPPA
- health professionals licensed or registered to provide health care or health professionals (such as doctors, nurses, physiotherapists, psychologists, etc.);
- health care facilities (such as hospitals, personal care homes, psychiatric facilities, medical clinics, laboratories, the Manitoba Cancer Treatment and Research Foundation, and community health centers or other health care facilities designated in the regulations)
- health services agencies providing health care under an agreement with another trustee (such as the Victorian Order of Nurses and We Care).
