

JANIS LUMSDEN

CPM COUNCIL NOMINATION APRIL 2022

GOAL:

CPM, as the physiotherapy regulatory body, plays an important role in secure autonomy for the profession by ensuring protection of the public. This role is paramount in ensuring the profession maintains the trust of Manitobans. I am eager to continue my contribution to the physiotherapy profession and community through volunteer work with the College of Physiotherapists of Manitoba. I am committed and open minded with strong critical thinking skills. I would like to offer my experience as a physiotherapist, a manager and a health care administrator to the Council of CPM.

EXPERIENCE:

January 2014-present: Executive Director, Community Therapy Services

January 2012-January 2014: Physiotherapy Profession Lead, CTS

September 2003-January 2012: Senior Physiotherapist, CTS

August 1990-September 2003: Staff Physiotherapist, CTS

1985-1990: Staff Physiotherapist, Kildonan Physiotherapy Clinic

1983-1985: Staff Physiotherapist, Health Sciences Center

1981-1982: Staff Physiotherapist, St. Boniface Hospital

EDUCATION:

1981: Bachelor of Medical Rehabilitation (Physical Therapy), University of Manitoba

1978: Bachelor of Science, University of Manitoba.

PROFESSIONAL ACTIVITIES (Included recent positions only):

Council member, Vice Chair and Treasurer, CPM 2019-Present

Chair, Continuing Competency Committee CPM, 2017-present

Member, Continuing Competency Committee, 2013-2017

Examiner for the Physiotherapy National Exam, 2010-present

Volunteer for the U of M College of Rehab Sciences (Physical Therapy) MMIs, 2013-2018

SKILLS:

- Wide range experience in physiotherapy and management.
- Can offer the perspective of PTs practicing in community and other non-traditional settings
- Vast experience at board level (including a previous tenure at CPM)
- Excellent problem-solving skills
- Excellent interpersonal and communication skills.
