

LEARNING PLAN: Goal X of X | 20XX

Please see CPM's CCP webpage for requirements, tips and examples (click [here](#)).

Professional Development: Goal for the coming year (TIP: Be sure your goal is specific and is linked back to your PT practice)

Please identify the intended service user(s) for this goal: (TIP: Think broadly; include yourself, your clients, employer, team members, students and any other relevant parties)

List proposed Learning Activities and Resources you need to achieve your goal. (TIP: You need more than one activity or resource; comment on **how** the activity will help you reach your goal)

Indicators of Success: How do you anticipate knowing if and when you have met your goal? (TIP: Comment on **how** your learning may enhance the quality of your PT practice and how the service user(s) may benefit; list any relevant outcome measures that may help you monitor your success)

Target Date for Completion: (TIP: Goals should be attainable within one year)

Date:
