Relaunch Decisions:

- Due to the ongoing uncertainty, we will not be offering face to face exam options in 2021
- We expect to relaunch the Clinical Component in late summer/early fall of 2021

Relaunch Intentions:

- Candidates will take the 12-station exam on a virtual platform
- Candidates will be given at least two months' notice of their exam date in order to ensure adequate time for preparation
- We anticipate that candidates will be assessed frequently in smaller cohorts throughout the fall of 2021
- Everyone who has been waiting will be assessed as quickly as possible without sacrificing the integrity of the exam

Next steps:

- Concurrently with finalizing the decision about which exam platform to use, our team will be confirming dates and identifying appropriate cohorts
- We are working to finalize additional stations approved for the virtual environment
